Sunday AM

Elder Les Benedum preached "Imagination Station" from II Cor. 10:1-5. We need to cast down every imagination that is not of God and bring our every thought into captivity to the obedience of God. We need to come to church and inspire others to do good works. Don't let your imagination go in the wrong direction. Imagine how Jesus lived on this earth. Walk in His footsteps. People are watching how we walk and talk each day. Let us do our best to inspire them. Don't apologize for the way you worship God. You may inspire someone in the service who is discouraged and feeling low in spirit. Obey God. When He tells you to help someone, be used by Him. You will inspire someone else to do good works. Let your imagination take you to Heaven—imagine walking upon streets of gold!

Sunday PM

Pastor Joseph preached "It's Time To Throw Down" from Matt. 24:1-2 & II Cor. 10:1-5. The world system, with all its sin and brokenness, is destined to be thrown down one day. However, that's not our goal or responsibility. We have a more pressing need: to battle our own carnal nature, cast down wrongful imaginations, and win an internal spiritual warfare that depends on us keeping our relationship with God as our highest priority. We are living in dark days, culturally, yet we need to throw down spiritual strongholds and cast down every imagination that is against God. The biggest battle we have is in our minds. Our weapons are not carnal, but mighty through God to the pulling down of strongholds. When your mind starts thinking ungodly things, get back in track with God by bringing your every thought to the obedience of God. We are the church. We are a light unto this world. Be on fire for God—pray, fast, live holy. Stay in your relationship with God. Seek God and His righteousness first. This world may take rights from you, but it will never be able to take away your relationship with God.

Wednesday

Jr. Elder Zach Sandy preached from Psalm 92:12. God looks upon those who serve Him as "trees." We need to be flexible like a palm tree, yet hardy and resilient like a cedar tree. Help people. Let them lean on you. Keep in touch with God so when someone calls for help, you can be there. Don't be so busy that you can't stop and help someone in need. Elder Baron Claypool preached "Through The Eyes of a Father" from Genesis 24:1-6 & Luke 15:17-22. When God told Abraham to sacrifice his son, Isaac, Abraham did not doubt. He obediently prepared for the sacrifice. God was just testing Abraham to see if he was faithful. Are you willing to give up something precious in your life? If so, He will reveal His blessings. We must see through the eyes of the Father. When the prodigal son came to himself and was returning home, his father saw him afar off. God doesn't just see us as we are; He sees what we can be. Just as the father in the parable was joyful, we should be joyous when a wayward soul comes back to church. Don't criticize when people come back to God and are used of Him. See through the eyes of the Father.

After starting a new diet, I altered my drive to work to avoid passing my favorite bakery. I accidentally drove by the bakery this morning, and as I approached, there in the window were a host of goodies. I felt this was no accident, so I prayed... "Lord, it's up to You. If you want me to have any of those delicious goodies, create a parking place for me directly in front of the bakery." And sure enough, on the eighth time around the block, there it was! God is so good!

Sadly, this year marks the 40th anniversary of the U.S. Supreme Court's tragic Roe v. Wade decision in 1973. From then until now. some 56,000,000+ preborn babies have been murdered through abortion in the United States alone. Help us memorialize their deaths, and help us labor to see abortion ended in America!
