Sunday AM

Elder Lorren Godwin preached "Fight The Good Fight" from I Samuel 21:8-9. We have a fight for survival in this world. We must fight against negativity when we are weak and vulnerable to attack. The devil is smart. He knows when and how to trick us. "Lest Satan should get an advantage of us; for we are not ignorant of his devices" (II Corinthians 2:11). We must fight against seeing, hearing, and thinking certain things. The problems and cares of this world will get us down, but we must cast our cares upon God. We must have our minds focused upon God instead of the problem. Fight the good fight is to continue going forward even when we don't feel like it. It is pushing on and remaining determined until we reach victory. It is holding onto our relationship with Jesus Christ at all costs. Make up your mind to fight and never stop.

Sunday PM

Pastor Joseph preached "Time To Wake Up" from Isaiah 49:7-8, II Corinthians 6:1-2 & Ephesians 5:14-17. Jesus is calling us to action. We have work to do. God can take our heavy heart and give us a garment of praise. He can take our sorrow and give us joy. But one must be awake to even have a heavy heart or to have sorrow. We must first be alive and awake to dance, weep, praise, or do anything. We can't just stand around and do nothing. It's time to wake up and not be lulled to sleep by just going through the motions. We must be on fire and powerful for God. We must allow ourselves to be a conduit of grace. Don't put off what God calls you to do. Don't hit snooze on your relationship with God. It's time to wake up, stand up, and get involved. How many times has someone made it through their depression because one person stepped in and encouraged them! Our actions can save a life, a soul. It's time to do something!

Wednesday

Elder Kieran Joseph preached "Thank You" from Isaiah 6:1-3 & Revelation 4:8. We need to have an attitude of praise as the angels do. We need to praise the Lord and give thanks always. Praise Him for what He has done, what He is doing, and what He is going to do. Praise Him in your good days and your bad days, whether you understand it all or not. In all things give thanks, and always give praise. Elder Rusty Sandy preached "The Same Power" from I Timothy 4:12. We don't have some heroes of the faith anymore, such as Sis. Bargo or Bro. Billy Cole, but we can have the same power they had. If God has filled you with the Holy Ghost, you have great potential or power. God wants us to step up and be submissive to Him. He wants to use us to see souls saved and healed. Realize your potential. Will you use what God has given you or let it go to waste?

A certain man made a visit to one of his relatives who welcomed him and invited him to a church service the following day. The man had never been to a church. During the service the pastor requested the visitors to stand up, and he stood. After mentioning his name and where he came from, the pastor asked him whether he knew Jesus. He replied, "Pastor, I am still new in this place. I do not know anyone here!"
